

My future

Hi, I'm Matea and I 'm 15 years old. I want to tell you something about my future and how I see it.

I'm going to be a tourist guide. I will travel a lot and meet tourists from all over the world. I will tell them about my country and its beauties, works of art, its old cities and traditions.

I am going to do a lot of exciting things in my free time. I will meet my friends in cafés and restaurants. I will take up new activities maybe even learn new foreign languages. It will be fantastic.

In the future

I am going to live in a big flat in a big city. My flat will be on the top floor of the building and it will have a spectacular view of the Adriatic sea. But let's wait and see what the future holds for me.
