My English classroom

My class is 5d. We like English a lot. My English classroom isn't very big. It's on the second floor of our school.

It has got yellow and white walls. There are three windows and some blue curtains at the windows. There are a lot of desks and chairs in my classroom. There is a TV set and a laptop on the shelf. There are some posters and drawings on the walls.

There are 19 pupils in my class, eight girls and eleven boys. Martina is the tallest and Lara is the shortest. Daniel is good at basketball. Gabriel, Nikola and Marino are crazy about football. Karla and Diana can sing pretty well. Petra and I like dancing.

I love my class and we are good friends.
